Impact" Research Group**

August 2008 Beijing

01 Survey sites

District / County _____

Street / Township

Community (Residents Committee) _____

02 Respondent's type of community residence 【Please circle the appropriate option number on the following options】

- 1) **Without the transformation of the old town (neighborhood-based community)**
- 2) **Of single or mixed units of the community**
- 3) **Commercial Housing Community**
- 4) **Other (please specify)** _____

Sampling

Hope to follow the following requirements to do the survey sampling.

Survey sampling requirements are as follows:

1. Printed out 1000 copies of the questionnaires based on its electronic version: 500 copies of questionnaires are for persons with disabilities, and 500 copies for able-bodied people.
2. Please select urban street in the following 4 districts in Beijing: Chaoyang, Xuanwu, Haidian, Xicheng.
3. In each district, randomly select 5 streets.
4. When arrive at the street, please list the families with members with disabilities into a Column. If the list contains less than 25 families, all of these households will be a subject of investigation. If there are more than 25, then close eyes and randomly point out the first one being investigated by your finger. Subsequent intervals of the number of households drawn one, until the extraction is complete up to 25. If the one has been drawn out in the households has removed, or no one at home, the list of nearby households will be investigated. 【The sampling of able-bodied people follow the suit.】
5. After entering into a household, if the household has no one aged 18 to 69 years with disabilities, approach the one nearby from the list as a sample of the survey. If there are 18 to 69 years of age household members of persons with disabilities, the only one disabled member automatically becomes the surveyed object; If more than one person with disability, then press the row of men, from old to young age, followed by the row of women, old to young by age, and code respectively, by 1,2,3, ... and so on number; after that toss a coin to decide to select male or female subject for the survey: One dollar coin the word side up is to investigate the male, and the flowers side up to investigate the female. After determine the gender, the number of specific respondent randomly selected according to the table below. For example, if the name drawn is a woman, and the household of women aged 18 to 69 are in the number of 3, in the corresponding "numbered list may be taken," a column in the eyes closed readily that in the picture hook on which to get the number.

The number of the adult members being selected by gender in households					
1	2	3	4	5	6 or more
The numbers listed may be taken					
1	1	1	1	1	1
1	1	1	1	2	2
1	1	1	2	2	2
1	1	2	2	3	3
1	2	2	3	4	4
1	2	3	3	3	5
1	2	3	4	5	5
1	2	3	4	5	6

6. At the end of the questionnaire, the respondent’s home telephone number or other contact information should be filled out in order to review.

Questionnaire A: Paralympic Games Impact
【 This questionnaire is only used for persons with disabilities 】

[Investigators should note that the expected respondents are disabled persons. If the person is inconvenient or unable to answer the questions, please invite the person’s closest relatives to do so. 【 At the end of the questionnaire, a note of the proxy person is required 】 The response should reflect the informant’s (persons with disabilities) situation, attitudes and behavior. The following questionnaire in the "you", allege the respondents with disabilities.]

Introduction:

Hello: China Disabled Persons Federation (CDPF) and Renmin University are collaborating with Beijing Disabled Persons Federation to conduct a jointed research titled “Paralympic Games Impact” study. I am the researcher of this project. The Purpose of this research is to understand the basic situation of persons with disabilities, living conditions, and evaluate the general impact of the Paralympic Games, particularly for persons with disabilities groups. There is no right or wrong answer as you are expected to tell us your true views based on your current situation. This survey is exclusively used for research purpose. We will secure your identity and responses confidential. Thank you very much for your supporting our work.

Please draw a small circle "O" in the following questions according to the answer.

01. Gender of respondent:

- 1) Male
- 2) Female

02. Your date of birth _____(yy/mm/dd) [Fill out on the line]

03. Please indicate your ethnicity [Single choice]:

- 1) Han
- 2) Mongolian
- 3) Man
- 4) Hui
- 5) Tibetan
- 6) Other (please specify) _____

04. What is your religious belief? [Single choice]

- 1) No religious belief
- 2) Buddhism
- 3) Taoism
- 4) Islam (Muslim)

- 5) Christian
- 6) Catholic
- 7) Other religious belief (please specify) _____

05. Please indicate the type of your house [Single choice]:

- 1) Bungalow
- 2) Building with elevator
- 3) Building without elevator

06. What is your marital status? [Single choice]

- 1) Single
- 2) Married with spouse
- 3) Divorced
- 4) Widowed

07. What is your level of education? [Single choice]

- 1) Never go to school
- 2) Elementary
- 3) Secondary School
- 4) High School
- 5) Secondary Professional School
- 6) University Specialist
- 7) Undergraduate
- 8) Postgraduate

08. How many members have lived in your household? _____ persons,
including [Could be multiple choices] :

- 1) Grandparents
- 2) Parents
- 3) Spouse
- 4) Spouse's parent
- 5) Brothers and sisters
- 6) The spouse's brothers and sisters
- 7) Children
- 8) Grandchildren
- 9) Rental by / through the Home Ownership
- 10) Other (please specify)

A. Understanding of and Participation in the Paralympic Games

A1. Do you know that Beijing will host the Paralympic Games in 2008?

- 1) Yes, I know. (If chose this one, please go to A101)
- 2) No, I don't know. (If chose this one, please go to A102)

A101. How do you get this information? (Multiple choices allowed if available)

- 1) Paralympic-related employees
- 2) Relatives and friends
- 3) Strangers
- 4) Newspaper and Magazine
- 5) Television
- 6) Radio
- 7) Internet

A102. What channels do you expect to receive this information? (Multiple choices allowed if available)

- 1) Paralympic-related employees
- 2) Relatives and friends
- 3) Strangers
- 4) Newspaper and Magazine
- 5) Television
- 6) Radio
- 7) Internet
- 8) I do not want to know.
- 9) I don't know how.

A2. If conditions permit, and during the Paralympic Games, would you expect to watch the games on-site?

- 1) Very much looking forward
- 2) Better to go
- 3) Do not have to go
- 4) Some do not want to go
- 5) Do not want to go
- 6) I do not know

A3. What is the greatest expectation you have during the staging of the Paralympics?
[Limited to 3 selections at most]

- 1) With access to event competition information
- 2) Chinese athletes won
- 3) Communicate with more people with a disability
- 4) To be aware of the situation of foreign persons with disabilities
- 5) Contact with foreign organization of the disabled
- 6) Persons with disabilities to integrate into the community
- 7) Do not expect anything
- 8) Other (Please explain) _____

A4. Are you concerned about the progress of the Paralympic Games if you do not go to live events?

- 1) Very concerned about
- 2) Pay attention
- 3) Does not matter

- 4) Does not care about
- 5) Are not interested in
- 6) Do not know

A5. Do you think the convening of the Paralympic Games will be to achieve the following results?

Matters	Very sure	General positive	Hard to say	Unlikely	Would not	Do not know
A501 To enhance the social status of persons with disabilities	5	4	3	2	1	-1
A502 To make the public more concerned about people with disabilities	5	4	3	2	1	-1
A503 To make the disabled more respected by the community	5	4	3	2	1	-1
A504 To enable the Government to enhance the level of social protection of disabled persons	5	4	3	2	1	-1
A505 To make it easier for disabled persons to find a job if having a certain ability to work	5	4	3	2	1	-1
A506 To enable persons with disabilities have better access to education	5	4	3	2	1	-1
A507 To make it easier for people with disabilities to find the ideal spouse	5	4	3	2	1	-1
A508 To promote the enterprises to provide better products for persons with disabilities	5	4	3	2	1	-1
A509 To promote the CDPF and other organizations to provide better services for people with disabilities	5	4	3	2	1	-1
A510 To encourage more people with disabilities to participate in sports activities	5	4	3	2	1	-1
A511 The public will know more about the knowledge of persons with disabilities	5	4	3	2	1	-1
A512 The public will learn more skills to help people with disabilities	5	4	3	2	1	-1
A513 To make people more concerned about their family members with disabilities	5	4	3	2	1	-1
A514 To increase the physical education professionals for disabled persons	5	4	3	2	1	-1
A515 To enhance the quality of physical	5	4	3	2	1	-1

education professionals for people with disabilities						
--	--	--	--	--	--	--

B. Information Related to Life and Physical Conditions

B1. Do you enjoy the Subsistence Allowance?

- 1) Yes, I do.
- 2) No, I do not.
- 3) I do not know.

B2. Do you participate in Medicare?

- 1) Yes, I do.
- 2) No, I do not.
- 3) I do not know.

B3. What is your household's total income last month? _____ yuan.

B4. What are your household's total expenditures last month? _____ yuan.

B5. How frequently did you exercise in the past month?

- 1) At least once a day
- 2) Two to six times a week
- 3) Weekly (once a week)
- 4) Two or three times a month
- 5) Once a month
- 6) None

B6. What is your level of satisfaction of the following areas? **【mark a circle in the corresponding box number】**

Matters	Very satisfied	Satisfied	Neutral	Dissatisfied	Very dissatisfied	Do not know
B601 Social care for persons with disabilities	5	4	3	2	1	-1
B602 Government support for persons with disabilities	5	4	3	2	1	-1
B603 Community support for persons with disabilities	5	4	3	2	1	-1
B604 Persons with disabilities access to education	5	4	3	2	1	-1

B605 Fairness of employment for the disabled	5	4	3	2	1	-1
B606 Your income level	5	4	3	2	1	-1
B607 Convenience of your trip	5	4	3	2	1	-1
B608 Status of your current life	5	4	3	2	1	-1
B609 Skills of ordinary citizens to help the disabled	5	4	3	2	1	-1
B610 Capability of friends and relatives to help the disabled	5	4	3	2	1	-1
B611 The improvement of barrier-free facilities for the disabled in Beijing public places for the last two years	5	4	3	2	1	-1
B612 The number of barrier-free facilities for persons with disabilities in current Beijing public places	5	4	3	2	1	-1
B613 Conditions of sport facilities in residence communities	5	4	3	2	1	-1
B614 Beijing Paralympic Games to absorb the views of persons with disabilities	5	4	3	2	1	-1

B7. Do you now have a job?

- 1) Yes
- 2) No

【If choose option number 1, namely “having a job”, please answer the following in the subject box; if not working, directly answer B8】

B701 The type of Organization where you are working at:

- 1) The party and government agencies
- 2) National institutions
- 3) Education and scientific research institutions
- 4) State-owned enterprise
- 5) Foreign corporation
- 6) Private enterprise
- 7) Self-employment
- 8) Other (please specify) _____

B702 Your daily working hours are:

- 1) Less than 4 hours
- 2) 5-8 hours
- 3) 8-10 hours
- 4) 11 hours or more

B703 Your average monthly wage level is:

- 1) Less than 500 yuan
- 2) 500-1,000 yuan (inclusive)
- 3) 1000-2000 yuan (inclusive)
- 4) 2000-3000 yuan (inclusive)
- 5) 3000-4000 yuan (inclusive)
- 6) 4000 or more

B70301 Please provide the amount of your last month's wages: _____ yuan

B704 The way you find a job is:

- 1) The Government arrangements
- 2) Introduced by the employment agency
- 3) Through newspaper advertisements, etc.
- 4) Introduced by friends and relatives
- 5) Network
- 6) Other (please specify) _____

B8. The main reason for you're currently not to work is [Single choice]:

- 1) Student
- 2) Retirees
- 3) Housework
- 4) Physical condition
- 5) Does not work after graduation
- 6) Lose the original job because of the unit where I had been working is not existing or something similar.
- 7) I lost the original work because of personal reasons

8) Other (please specify) _____

B9. If you do not work, have you ever tried to find a job?

- 1) Yes, I looked for.
- 2) No
- 3) Not applicable

B10. The difficulties facing you in the course of your preparing for employment are [Limited to 3 choices]

- 1) Physical condition was poor
- 2) Too little access to employment information
- 3) Job expectations are too high
- 4) The lack of vocational skills
- 5) The employer exclusion
- 6) Government support is not enough
- 7) Other (please specify) _____

B11. If treated unjustly by others, you will be attributed to [Multiple choices permitted]:

- 0) Have not come across
- 1) Physical condition
- 2) Ownership of ethnicity
- 3) Education level
- 4) Social status
- 5) Economic status
- 6) Other irrational ignorance
- 7) Self-cultivation
- 8) Other (please specify) _____

B12. What types of disabilities do you have? [Multiple choices permitted]

- 1) Visual disability
- 2) Hearing disability
- 3) Speech Disability
- 4) Physical disability
- 5) Intellectual disability
- 6) (Intermittent) mental disability
- 7) Other (please specify) _____

B13. Your abilities in daily living:

- 1) No abilities in daily living
- 2) Have a certain abilities in daily living
- 3) Have better abilities in daily living
- 4) Have good abilities in daily living

C. The Perception of Persons with Disabilities

C1. Do you agree to the following opinion?

Opinions	Strongly agree	Agree	Neutral	Disagree	Strongly disagree	Do not know
C101 Disabled persons should rely on social relief and support of their life	5	4	3	2	1	-1
C102 Community should provide a variety of facilities and means to enable persons with disabilities and able-bodied people the same opportunity for survival and development	5	4	3	2	1	-1
C103 Compared to the able-bodied people, people with disabilities bring their families a greater burden	5	4	3	2	1	-1
C104 Like the able-bodied people and people with disabilities can become the creators of social wealth	5	4	3	2	1	-1
C105 It is bound to be people with disabilities who can not be the same as able-bodied people to participate in society	5	4	3	2	1	-1
C106 Persons with disabilities should be the same like able-bodied persons being self-reliance, seeking development	5	4	3	2	1	-1
C107 Persons with disabilities to participate in sports are too assertive or aggressive in	5	4	3	2	1	-1
C108 To participate in sports competition is conducive to cultivating the spirit of self-reliance of persons with disabilities	5	4	3	2	1	-1
C109 Same as able-bodied persons, persons with disabilities can also enjoy the sports.	5	4	3	2	1	-1
C110 For the athletes with disabilities, to participate is equal to win	5	4	3	2	1	-1

The respondent of the above questionnaire is mainly:

- 1) The respondent self [the person with disabilities]
- 2) The respondent's spouse
- 3) The respondent's parents
- 4) The respondent's children
- 5) Other (please specify) _____

The survey is completed, we are very grateful for your cooperation. Please leave your information:

Respondents (surname) Mr. / Ms _____

Phone number: _____

Other contact information: _____

First inspector's signature: _____

Final inspector's signature: _____

Questionnaire No. **B**□□□□□□□

【Note: The questionnaire No. should be filled out by investigators. For the A Volume or B Volume + name of its investigator + the number of the investigator has done questionnaire XXX. For example, Wang Shuixiong made the eighth questionnaire in B volume, then write: "B Wang Shuixiong 008"】

Survey of Paralympic Games Impact (2008)

District / County _____

Street / Township

Community (Residents Committee) _____

02 Respondent's type of community residence 【Please circle the appropriate option number on the following options】

- 1) **Without the transformation of the old town (neighborhood-based community)**
- 2) **Of single or mixed units of the community**
- 3) **Commercial Housing Community**
- 4) **Other (please specify)** _____

Sampling

Hope to follow the following requirements to do the survey sampling.

Survey sampling requirements are as follows:

1. Printed out 1000 copies of the questionnaires based on its electronic version: 500 copies of questionnaires are for persons with disabilities, and 500 copies for able-bodied people.
2. Please select urban street in the following 4 districts in Beijing: Chaoyang, Xuanwu, Haidian, Xicheng.
3. In each district, randomly select 5 streets.
4. When arrive at the street, please make a list the families with members of the able-bodied people into a Column. If the list contains less than 25 families, all of these households will be a subject of investigation. If there are more than 25, then close eyes and randomly point out the first one being investigated by your finger. Subsequent intervals of the number of households drawn one, until the extraction is complete up to 25. If the one has been drawn out in the households has removed, or no one at home, the list of nearby households will be investigated.

【 Sampling program corresponds with the people with disabilities 】

5. After entering into a household, if the household has no one aged 18 to 69 years of age household members of persons with disabilities, approach the one nearby from the list of those who apply again and again, as a sample of the survey. If there are 18 to 69 years of age household members of persons with disabilities, the only one disabled member automatically becomes the surveyed object; If more than one person with disability, then press the row of men, from old to young age, followed by the row of women, old to young, by age, and code respectively, by 1,2,3, ... and so on number; after that toss a coin to decide to select male or female subject for the survey: One dollar coin the word side up is to investigate the male, and the flowers side up to investigate the female. After determine the gender, the number of specific respondent randomly selected according to the table below. For example, if the name drawn is a woman, and the household of women aged 18 to 69 are in the number of 3, in the corresponding "numbered list may be taken," a column in the eyes closed readily that in the picture hook on which to get the number.

The number of the adult members being selected by gender in households					
1	2	3	4	5	6 or more
The numbers listed may be taken					
1	1	1	1	1	1
1	1	1	1	2	2
1	1	1	2	2	2
1	1	2	2	3	3
1	2	2	3	4	4
1	2	3	3	3	5
1	2	3	4	5	5
1	2	3	4	5	6

- 6. At the end of the questionnaire, the respondent’s home telephone number or other contact information should be filled out in order to review.**

"The Olympic Games Impact" Questionnaire B (Able-bodied Group)

[Investigators should note that the expected respondents are able-bodied people]

Introduction:

Hello : China Disabled Persons Federation (CDPF) and Renmin University are collaborating with Beijing Disabled Persons Federation to conduct a joint research titled "Paralympic Games Impact" study. I am the researcher of this project. The purpose of this research is to understand the public perspectives on the persons with disabilities, and investigate the social impact of the Paralympic Games, particularly for persons with disabilities groups. There is no right or wrong answer as you are expected to tell us your true views based on your current situation. This survey is exclusively used for research purpose. We will secure your identity and responses confidential. Thank you very much for your supporting our work.

Please draw a small circle "O" in the following questions according to the answer.

01. Gender of respondent:

- 1) Male
- 2) Female

02. Your date of birth _____(yy/mm/dd) [Fill out on the line]

03. Please indicate your ethnicity [Single choice]:

- 1) Han
- 2) Mongolian
- 3) Man
- 4) Hui
- 5) Tibetan
- 6) Other (please specify) _____

04. What is your religious belief? [Single choice]

- 1) No religious belief
- 2) Buddhism
- 3) Taoism
- 4) Islam (Muslim)
- 5) Christian
- 6) Catholic
- 7) Other religious belief (please specify) _____

05. Please indicate the type of your house [Single choice]:

- 1) Bungalow

- 2) Building with elevator
- 3) Building without elevator

06. What is your marital status? [Single choice]

- 1) Single
- 2) Married with spouse
- 3) Divorced
- 4) Widowed

07. What is your level of education? [Single choice]

- 1) Never go to school
- 2) Elementary
- 3) Secondary School
- 4) High School
- 5) Secondary Professional School
- 6) University Specialist
- 7) Undergraduate
- 8) Postgraduate

08. How many members have lived in your household? _____ persons including family member are: [Could be multiple choices]:

- 1) Grandparents
- 2) Parents
- 3) Spouse
- 4) Spouse's parent
- 5) Brothers and sisters
- 6) The spouse's brothers and sisters
- 7) Children
- 8) Grandchildren
- 9) Rental by / through the Home Ownership
- 10) Other (please specify)

A. Understanding of and Participation in the Paralympic Games

A1. Do you know that Beijing will host the Paralympic Games in 2008?

- 1) Yes, I know. (If you know, please go to A101)
- 2) No, I don't know. (If you do not know, please go to A102)

A101. How do you get this information? (Multiple choices permitted)

- 1) Paralympic-related employees
- 2) Relatives and friends
- 3) Strangers
- 4) Newspaper and Magazine

- 5) Television
- 6) Radio
- 7) Internet

A102. What channels do you expect to receive this information (in addition to my informed)? [Multiple choices allowed if available]

- 1) Paralympic-related employees
- 2) Relatives and friends
- 3) Strangers
- 4) Newspaper and Magazine
- 5) Television
- 6) Radio
- 7) Internet
- 8) I do not want to know.
- 9) I don't know how.

A2. If conditions permit, and during the Paralympic Games, would you expect to watch the games on-site?

- 1) Very much looking forward
- 2) Better to go
- 3) Do not have to go
- 4) Some do not want to go
- 5) Do not want to go
- 6) I do not know

【As the need of the volume is corresponding to Questionnaire A, question numbers and options numbers is not continuous here】

A4. Are you concerned about the progress of the Paralympic Games events if you do not live spectators at venues?

- 1) Very concerned about
- 2) Pay attention
- 3) Does not matter
- 4) Does not care about
- 5) Are not interested in
- 6) Do not know

A5. Do you think the convening of the Paralympic Games will be to achieve the following results?

Matters	Very sure	General positive	Hard to say	Unlikely	Would not	Do not know
A501 To enhance the social status of persons with disabilities	5	4	3	2	1	-1
A502 To make the public more concerned about people with disabilities	5	4	3	2	1	-1
A503 To make the disabled more respected by the community	5	4	3	2	1	-1
A504 To enable the Government to enhance the level of social protection of disabled persons	5	4	3	2	1	-1
A505 To make it easier for disabled persons to find a job if having a certain ability to work	5	4	3	2	1	-1
A506 To enable persons with disabilities have better access to education	5	4	3	2	1	-1
A507 To make it easier for people with disabilities to find the ideal spouse	5	4	3	2	1	-1
A508 To promote the enterprises to provide better products for persons with disabilities	5	4	3	2	1	-1
A509 To promote the CDPF and other organizations to provide better services for people with disabilities	5	4	3	2	1	-1
A510 To encourage more people with disabilities to participate in sports activities	5	4	3	2	1	-1
A511 The public will know more about the knowledge of persons with disabilities	5	4	3	2	1	-1
A512 The public will learn more skills to help people with disabilities	5	4	3	2	1	-1
A513 To make people more concerned about their family members with disabilities	5	4	3	2	1	-1
A514 To increase the physical education professionals for disabled persons	5	4	3	2	1	-1
A515 To enhance the quality of physical education professionals for people with disabilities	5	4	3	2	1	-1

B. Information Related to Life and Physical Conditions

B1. Do you enjoy the Subsistence Allowance?

- 1) Yes, I do.
- 2) No, I do not.
- 3) I do not know.

B2. Do you participate in Medicare?

- 1) Yes, I do.
- 2) No, I do not.
- 3) I do not know.

B3. What is your household's total income last month? _____ yuan.

B4. What are your household's total expenditures last month? _____yuan.

B5. How frequently did you exercise in the past month?

- 1) At least once a day
- 2) Two to six times a week
- 3) Weekly (once a week)
- 4) Two or three times a month
- 5) Once a month
- 6) None

B6. What is your level of satisfaction of the following areas? [mark a circle in the corresponding box number]

Matters	Very satisfied	Satisfied	Neutral	Dissatisfied	Very dissatisfied	Do not know
B601 Social care for persons with disabilities	5	4	3	2	1	-1
B602 Government support for persons with disabilities	5	4	3	2	1	-1
